

Vassoura Apanha Folhas MagicFly

Art. **2000 E**

Innovative rake for leaves collection, internationally patented; made of strong polypropylene material, with alloy made stick and a handy hook so that Magic Fly can be hung after use. A special gear, manually operated, closes and opens the rake so that leaves/waste can be picked up without bending, easily and safely.

HOME GARDENING

- Quick assembling without any tool;
- A locking button keeps the rake closed for the easiest leaves removal.

Locking button to keep the rake closed.

Closing/opening manually operated.

Large gathering end of the rake.

Alloy made stick; a handy hanging hook.
